

# Register your term policy for an online account

It's fast and easy!

## Access the information you need – any time, anywhere

Your Lincoln online account provides secure and convenient 24/7 access, making it easy to view and pay your term life insurance premium bills and keep track of your account. Registering is fast and easy, too!

## Five things that take more time than online registration.

Filling up your gas tank

Picking up your daily coffee

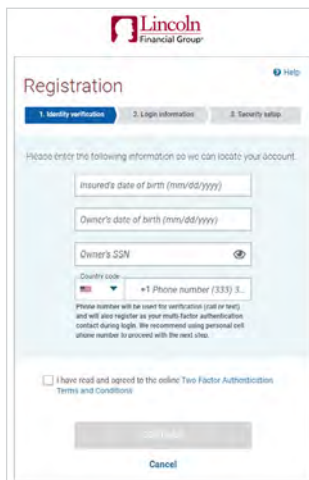

Deciding where to eat

Checking today's social media posts

Reading your favorite blog

The screenshot shows the Lincoln Financial Group registration page. It has a header with the Lincoln logo and 'Financial Group'. Below the header, there are three tabs: '1. Identify verification', '2. Login information', and '3. Security setup'. The '1. Identify verification' tab is active. The form asks for the insured's date of birth (mm/dd/yyyy), owner's date of birth (mm/dd/yyyy), owner's SSN, and country code. There is a field for '+1 Phone number (333) 3...'. A note states: 'Please remember to be used for verification (call or text) and will also register as your multi-factor authentication contact during login. The recommended using personal cell phone number to proceed with the next step.' At the bottom, there is a checkbox for 'I have read and agreed to the online Two Factor Authentication Terms and Conditions' and a 'Cancel' button.

## Follow these steps to get registered

1. Go to [LincolnFinancial.com/Public/Registration](https://LincolnFinancial.com/Public/Registration), choose **Individual** on the left side of the page, and select **Policy is owned by myself** under **Life Insurance Policy**. Create a username and password.
2. Log in using your new information and register a telephone number to enroll in mandatory two-factor authentication (TFA). We'll send a confirmation code to your phone via your chosen method – either a text message or a phone call.
3. Or, use an authenticator app to enroll in TFA. This method will require you to download an authenticator app of your choice, add your Lincoln account, and scan a QR code. The app will generate a one-time password you'll enter on the website to complete TFA registration.

During your next login, open your chosen authenticator app to generate the time-based, one-time password and enter it on the website when prompted.

**With both methods, you have the option to select “Remember this device.” If you check this box, you won't be prompted for TFA on that device for 30 days.**

Trusts and organizations can register at [LincolnFinancial.com/Public/Registration](https://LincolnFinancial.com/Public/Registration). Select **Individual** on the left side of the page and then **Policy is owned by a corporation or trust** under **Life Insurance Policy**.

### IMPORTANT:

Keep your username, password, and security answers in a safe place for easy reference on return visits to your online account.

## It's all about time

Taking a few extra minutes now to register could save you time down the road. Make your life easier in less time than it takes to get gas.

To register your online account, visit [LincolnFinancial.com/Register](https://LincolnFinancial.com/Register).
