

Long-term care (LTC) consumer social media e-toolkit

Long-Term Care Insurance Awareness Month is just around the corner — use this e-toolkit to help educate and engage prospects. Leverage the kit's pre-built posts to help prospects get the facts about long-term care and motivate them to start making a plan of their own — with your guidance.

What's inside

Social media campaigns for Facebook and LinkedIn that encourage prospects to start making a plan for their own future care — with your help. Each post includes lead-in text and an animated image to help drive engagement.

Facebook & LinkedIn campaigns

How it works:

1. Open the animated image and save the mp4 file to your computer by clicking the three dots in the right-hand corner and selecting download.
2. Copy and paste the text into the appropriate social media channel (Facebook or LinkedIn) and upload the corresponding mp4 file for each post.

Post 1

You're healthy now — and you might be healthy for many years to come. That's why it's so important to make a care plan today. I can help.

Post 2

No one likes to think their health is going to decline as they get older — but for many of us, it will. Do you have a care plan in place? I can help.

[Download mp4 file](#)

Post 3

When you're older, a bad hip could do more damage to your retirement income than a bad market — do you have a care plan? I can help.

[Download mp4 file](#)

Post 4

A lot of things get better with age — but our health isn't one of them. Could you afford the care you'd need? I can help.

[Download mp4 file](#)

Post 5

If you can't live independently when you're older, how would you pay for care? If your answer is Medicare, you might want a better strategy. I can help.

[Download mp4 file](#)

Post 6

Medicare doesn't cover most long-term care expenses. If you need care down the road, how would that affect your pocketbook? I can help.

[Download mp4 file](#)

Post 7

You're healthy now. But what if your household chores get to be more than you can handle when you're older? I can help.

[Download mp4 file](#)

Post 8

Our health changes as we age – do you have a plan in case “what if” becomes “what now”? I can help.

[Download mp4 file](#)

Post 9

Growing old doesn't have to be a burden on your family. Help give your loved ones a choice by making a care plan today. I can help.

[Download mp4 file](#)

Post 10

Future care needs are unpredictable, but a care plan helps ensure you and your family can focus on making each moment count today. I can help.

[Download mp4 file](#)

Post 11

Aging brings a lot of changes, but a care plan helps ensure you and your family can face the future with confidence – and make each moment count. I can help.

[Download mp4 file](#)

Post 12

A care plan helps prepare you and your loved ones for future challenges so you can make each moment count today. I can help.
