Customize Your Coverage

Because every family and business situation can be unique, Protective Life has designed its policies to provide flexibility to its customers. Policy riders and endorsements allow you to customize your coverage even further to fit your individual needs.

These are intended to supplement your policy for very specific purposes. For example, a rider can provide a death benefit for your children, allow you to use a portion of the death benefit to manage the cost of a chronic illness, or provide benefits if you become disabled. You choose specific riders or endorsements to create the additional coverage you need and to fill any gaps in your long-term plans.

Please note that riders and endorsements may not be available in all states, and state variations may apply.

ExtendCare benefits are intended to be received on a tax-favored basis. The ExtendCare Rider is intended as a non-medical supplement to traditional long-term care policies and riders. The tax treatment of life insurance is subject to change. Neither Protective Life nor its representatives offer legal or tax advice. Individuals should consult their attorney or tax advisor regarding their individual situation.

The ExtendCare rider falls under IRC Sec. 101(g) Accelerated Death Benefit guidelines and does not fall under health regulations. The Protective Way

Delivering what's promised. 100 years and counting.

Other companies talk about values. But with us it's more than a slogan. In fact, our core principles — value, integrity, strength and stability — inform everything we do, from our business model to the design of our products.

Simply put, we believe in doing the right thing in every action and decision, large and small. We're careful about the promises we make — and make sure we deliver on them. It's how we continue to build trust and relationships that last.
