P.O. Box 14432, Des Moines, IA 50306-3432

This form is required for all annuity contracts proposed to be replaced. If multiple annuity contracts are proposed to be replaced, complete separate forms for each. A replacement must demonstrate a substantial benefit over the life of the new, proposed contract and the whole transaction should be considered in making any recommendation to replace.

Do not leave any blanks. Incorrect or missing information will require new full signature and date prior to issuing the proposed annuity contract. If multiple annuities are being replaced, complete forms for each. To help in the review process, please attach a copy of the current annuity statement. For a Single Premium Immediate Annuity (SPIA) replacement, please include a copy of the annuitization quote from the existing annuity with the same payout option from the proposed annuity along with a copy of the proposed annuity illustration.
