

Initiate a Claim in Three Steps

Step 1

Report an event

- Phone: Call **1-800-352-6608**, Monday through Friday 8 a.m.–5 p.m. EST to speak with a long-term care specialist.
- Website: Report online by completing a form on **www.OneAmerica.com/claims**. A long-term care specialist will review the form and call the contact person indicated.

Please have this information available¹:

- Policy number(s)
- The name, address, and phone number of the insured, the insured's physician(s), and long-term care provider(s)
- The type of long-term care provider the insured is receiving long-term care services from (assisted living, home health care, skilled nursing, etc.)
- Description of the long-term care services the insured is receiving
- The date long-term care services started or will start
- Durable financial power of attorney (if a legal representative is involved)

1. Anyone may initiate a claim on behalf of the insured. To protect the privacy of the insured, OneAmerica can release contract and policy information only to the policyowner, claimant's validated legal representative and/or policyowner's active broker/agent of record (excluding medical information).

Step 2

Complete and return the required forms

After a long-term care event is reported, the Care Benefit Concierge process begins. A long-term care specialist is assigned to your case and will work with you directly. This allows you to speak and work with the same long-term care specialist throughout the claim process to ensure continuity and accuracy.

Your assigned long-term care specialist will send forms tailored to your specific event that will need to be completed and returned.

Send the completed forms one of three ways:

- Email: **longtermcareclaims.ind@oneamerica.com**
- Fax: **1-317-285-5239**
- Mail: OneAmerica Financial Partners, Inc.

Step 3

Forms are received by OneAmerica

- Your long-term care specialist acknowledges the long-term event is a claim within 48 hours
- Your long-term care specialist requests requirements from your long-term care provider

Upon receipt of all requirements, your long-term care specialist determines benefit eligibility and notifies you of the decision.
