

OneAmerica[®] eApp

Applications made easy

If you haven't started using eApp to run illustrations and submit applications, you're missing out on significant technology that can help accelerate your business.

eApp Benefits

- Obtain signatures electronically
- Illustrations prefill application
- Automatically order LTCG tele-interview
- Eliminate application errors; no NIGOs
- Reduce processing time by 2-5 days

Access eApp

- Care Solutions Calculator
(www.oneamerica.com/caresolutionscalculator)
- OneSource Online (OSO)
(www.ols.oneamerica.com)
- Back Office iGo Subscriptions

Note: Applications can't be saved in the calculator site

Watch our quick [eApp Process video](#) to learn more.

Things to consider while using eApp

- Training environment available on [OneSource Online](#) (OSO)
- Required fields are highlighted in yellow
- Look for green checkmarks — status tracker shows progress through the eApp
- Forms that require wet signatures are available once the eApp is locked
- Ability to save eApp for 120 days
- The 4 digit PIN is the last four digits of the agent's and applicant's SSN

System requirements

eApp is mobile friendly and compatible with:

- Internet Explorer
- Firefox
- Apple Safari
- Adobe Reader X1

Note: Ensure your browser is the most recent version and allows for pop-ups from OneAmerica Sales Connection and iPipeline.com. LTCG is not an affiliate of the companies of OneAmerica.

ONEAMERICA[®] is the marketing name for the companies of OneAmerica | OneAmerica.com
