

Choosing the Right Policy

Dnamic Foundation

Disability insurance

The building block to a strong financial foundation.

The decision to protect your income with disability income insurance is a smart one. As you decide which policy to purchase, Noncancelable and Guaranteed Renewable (NC) or Guaranteed Renewable (GR), it is important to understand the differences between each one.

Dnamic Foundation disability income insurance through Ameritas provides the protection and flexibility you need to build a solid foundation for your financial future.

While it is important to understand the various benefits and optional riders available to you – it is also important to understand which policy is best suited for you.

Dnamic Foundation offers two types of individual disability income policies:

Noncancelable and Guaranteed Renewable policy

A Noncancelable and Guaranteed Renewable policy cannot be canceled as long as premiums are paid on time. Once the policy is in force, the benefits, riders and premiums cannot be changed or altered prior to age 65, except at your request.

Guaranteed Renewable policy

A Guaranteed Renewable policy cannot be canceled or changed (prior to age 65) as long as premiums are paid on time. However, premiums are subject to change prior to age 65 on a class basis with state approval.

Things to consider

	Noncancelable and Guaranteed Renewable	Guaranteed Renewable
Premiums	Offers peace of mind knowing premiums will never increase prior to age 65.	Offers immediate cost savings. Future premiums are subject to a potential increase on a class basis.
History	Premiums cannot increase prior to age 65.	Although history is not always representative of future events, looking back over the past half-century, our GR policy has not been subject to rate increases.
Successive periods of Total Disability Benefit	365 days.	180 days.
Residual Disability Benefit	May purchase one of the residual disability benefits as an additional feature to your policy.	Offers a built-in partial* residual disability benefit or the option to purchase one of the residual disability riders.
Age at time of purchasing disability insurance and the number of working years remaining	No risk of a potential premium increase prior to age 65, regardless of the working timeframe.	Greater risk of a potential premium increase for younger clients, who have a longer working timeframe such as 30-40 years.
