

SecureCare™ III
Long-term care and nonparticipating whole life insurance

Insurance products issued by:
Minnesota Life Insurance Company

SecureCare III hybrid life/long-term care

Features comparison

All data in table accurate as of January 2022.

This comparison does not take all material factors into account and must not be used with the public. These factors include but are not limited to account options, rider availability, surrender periods or fees and expenses. For information regarding these and other factors please consult each company’s respective policies.

Please keep in mind that the primary reason to purchase a life insurance product is the death benefit.

Life insurance products contain fees, such as mortality and expense charges, and may contain restrictions, such as surrender periods. Insurance policy guarantees are subject to the financial strength and claims-paying ability of the issuing insurance company.

SecureCare III may not be available in all states. Product features, including limitations and exclusions, may vary by state.

SecureCare III includes the Acceleration for Long-Term Care Agreement and Extension of Long-Term Care Agreement. These two agreements are tax qualified long-term care agreements that cover care such as nursing care, home and community-based care, and informal care as defined in the agreement. These agreements provide for the payment of a monthly benefit for qualified long-term care services. These agreements are intended to provide federally tax qualified long-term care insurance benefits under Section 7702B of the Internal Revenue Code, as amended. However, due to uncertainty in the tax law, benefits paid under these agreements may be taxable. Please ensure that your clients consult a tax advisor regarding long-term care benefit payments, or when taking a loan or withdrawal from a life insurance contract.

The optional Long-Term Care Inflation Protection Agreement is available with 3% simple interest, 3% compound interest, 5% simple interest or 5% compound interest.

Additional agreements may be available. Agreements may be subject to additional costs and restrictions. Agreements may not be available in all states or may exist under a different name in various states and may not be available in combination with other agreements.

The death proceeds will be reduced by a long-term care or terminal illness benefit payment under this policy. Clients should consult a tax advisor regarding long-term care benefit payments, terminal illness benefit payments, or when taking a loan or withdrawal from a life insurance contract.

This information should not be considered as tax or legal advice. Clients should consult their tax or legal advisor regarding their own tax or legal situation.

These are general marketing materials and, accordingly, should not be considered investment advice or a recommendation that any particular product or feature is appropriate or suitable for any particular individual. These materials are based on hypothetical scenarios and are not designed for any particular individual or group of individuals (for example, any demographic group by age or occupation). The materials were prepared for financial professionals who are experienced in investment and/or insurance matters. As a result, they should not be reviewed or relied on by any other persons. Securian Financial Group, and its subsidiaries, have a financial interest in the sale of their products.

INSURANCE PRODUCTS ARE ISSUED BY MINNESOTA LIFE INSURANCE COMPANY in all states except New York. In New York, products are issued by Securian Life Insurance Company, a New York authorized insurer. Minnesota Life is not an authorized New York insurer and does not do insurance business in New York. Both companies are headquartered in St. Paul, MN. Product availability and features may vary by state. Each insurer is solely responsible for the financial obligations under the policies or contracts it issues.

Securian Financial is the marketing name for Securian Financial Group, Inc., and its subsidiaries. Minnesota Life Insurance Company and Securian Life Insurance Company are subsidiaries of Securian Financial Group, Inc.

For financial professional and internal training use only. This material may not be reproduced in any form where it is accessible to the general public.

The table on the following pages shows how Securian Financial’s SecureCare III compares to our competitors’ products.

Please note that this high-level comparison does not contain all product details. For more information, refer to each company’s contract or product information.

Why SecureCare III?

- Cash indemnity long-term care (LTC) benefit payments
- Three return of premium (ROP) options including LTC Boost¹
- Optional premium waiver agreement
