The Accelerated Benefits Rider pays out a portion of the death benefit if you were to become terminally ill. There is a charge once this rider is exercised. Accelerated death benefits may be taxable and may affect public assistance eligibility.

If your needs change, you can change coverage

Before your term period ends, you have the option to convert your term policy to a Lincoln permanent life insurance policy.

- Your policy is convertible prior to the end of the level premium payment period (10, 15, 20 or 30 years) or prior to insured's attained age 70, whichever comes first.
