Life insurance products are not bank products, are not a deposit, are not insured by the FDIC, or any other federal entity, have no bank guarantee, and may lose value. Loans, withdrawals and advances will reduce the death benefit and cash surrender value and may cause the policy to lapse. The lapse or surrender of a policy with an outstanding loan may result in taxable income. Receipt of Accelerated Benefit payments may adversely affect the recipient's eligibility for Medicaid or other government benefits or entitlements and cause a taxable event. Life insurance products are issued and guaranteed by The Lafayette Life Insurance Company. Guarantees are based on the claims-paying ability of the company. The Lafayette Life Insurance Company, Cincinnati, Ohio, operates in D.C. and all states except New York.
