[#] When directly applying for Guaranteed Issue Whole Life.

* Guaranteed Issue Whole Life is an endowment policy with a benefit payable on the policy's maturity date or at the insured's death prior to age 100.

¹ So long as premiums are paid on time.

² During the first two policy years the benefit for death by natural causes is a refund of all premiums paid to date of death plus interest. For death due to accidental causes during the first two policy years (see policy for limitations), the full death benefit will be paid. Beginning day one of policy year three, the full death benefit is payable.

Policy forms: ICC21 200-864 or 200-864 (UHL); ICC21 18-864 or 18-864 (UFFL).

Availability of, and benefits payable under, the insurance product described is subject to state availability, state variations, restrictions and eligibility requirements. If there are any discrepancies between the product description and the issued insurance policy, the issued policy will take precedence.
