Date: July 11, 2022  
To: Ameritas Field Associates  
RE: New Illustration Software for Disability Products

Form Number: PS 4363  
Product Area: DI

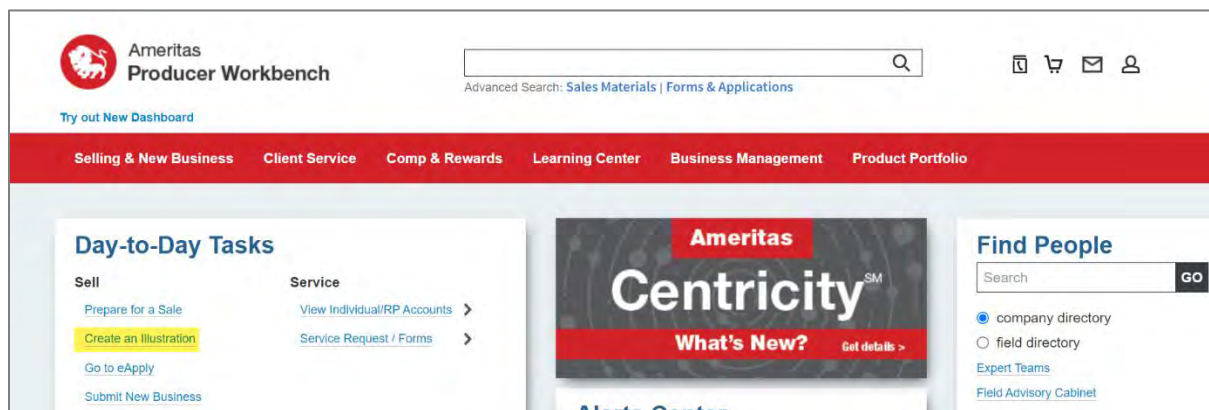

**Summary: Today, we introduce Illustration Pro as the new illustration software for quoting disability income insurance on Dnamic Foundation Individual Disability Income and Business Overhead Expense (Dnamic 2000 BOE in Florida), and Dnamic Fundamental.**

The new platform offers a fresh look with enhanced features to help you navigate and prepare quotes for your clients. Key features include:

- Improved user interface.
- Template creation for frequently quoted benefits and riders.
- Ability to create new profiles for agents who are in the process of completing their contracting paperwork but not yet appointed with Ameritas (feature known as secondary agent).
- Customization functionality on reports screen when ordering/selecting output pages.

Live training demos are available by accessing the Event Calendar on Producer Workbench. [Register now](#) for a session that works for you. We have also created [pre-recorded training videos](#) you can watch to learn more about the individual system features and functionality.

Illustration Pro is available on Producer Workbench and can be accessed under the **Create an Illustration** tab.

(continued on page 2)

**Transition Guidelines:**

Existing quotes and client information already prepared in the LifeDesigns system will not integrate with the new platform. This information will need to be recreated in Illustration Pro to prepare quotes for new DI business or service requests.
