#KaiZen is a financial strategy that leverages your money with a cash accumulating #LifeInsurance policy. #Retirement #LIRP		No participant loans, no credit check, no personal guarantees, no multiplier fees and no interest payments. #LifeInsurance #KaiZen	
#KaiZen utilizes stress testing to ensure extreme conservatism when determining a minimum annual premium that requires no external collateral to keep the policy from lapsing.		Don't leave your debt for your heirs. #LifeInsurance #KaiZen	
What's your excuse? #Retirement #LifeInsurance #LIRP #Investment #KaiZen		#KaiZen takes the money a client has available to save and augments it with unique leverage to achieve a better outcome. #Retirement #LIRP	
You can #invest like the wealthy. #LifeInsurance #Retirement #LIRP #KaiZen		Having to live with the kids because you can't afford to live independently isn't how most people want to spend their #retirement years. #KaiZen	
Using #KaiZen to help fund a #LifeInsurance policy with the potential tax advantages can help reduce the impact taxes will have on your #retirement!		#KaiZen is a strategy that helps you maintain your current lifestyle in #retirement
