

Life insurance Numbers to know

This is because

75% of Americans have hesitations when it comes to buying coverage.³

and

Nearly **1/2** of Americans said their number one hesitation is that they think life insurance is too expensive.²

But in reality, 8 out of 10 Americans overestimate the expense of getting a life insurance policy.¹

DID YOU KNOW?

A 35-year-old female can buy coverage for only \$9.45/month.*

Protective® Classic Choice term, \$100,000 face amount, 20-year guarantee, preferred non-tobacco. *As of August 2022. Subject to underwriting.

Things you already spend more than
\$9.45
on monthly

2 gourmet coffee beverages⁶

2.5 gallons of gasoline⁷

Isn't protecting your loved ones so much more valuable?

See reverse side for important information.

Protective refers to Protective Life Insurance Company and Protective Life and Annuity Insurance Company.

Now, consider the costs of not having a policy when you need it most...

1 in 5 

Americans say they have a safety net of five years or more if they were to lose their primary wage earner—and nearly ½ of them say they would feel financial hardship within 6 months.¹

Protective has some of the most affordable and comprehensive life insurance options available.⁸

For less than **\$10**/month,

a life insurance policy can help protect you and your family from future financial hardship in the event of an unexpected death.

Even knowing this, many Americans will only begin shopping for life insurance due to life events.

But you don't have to wait and experience one of life's big moments to start thinking about life insurance.

Let us help you find the right protection for your needs.
