### **CHRONIC ILLNESS ACCELERATED DEATH BENEFIT RIDER**

**Policy Form No. 3579**

With this benefit, a portion of the death benefit can be accelerated early if an authorized physician certifies that the proposed Insured is chronically ill. Chronically ill defined as:

- 1) Becoming permanently unable to perform, without substantial assistance from another person, at least two activities of daily living (eating, toileting, transferring, bathing, dressing, and continence) for a period of at least 90 consecutive days due to loss of functional capacity; or
- 2) Requiring substantial supervision for a period of at least 90 consecutive days by another person to protect oneself from threats to health and safety due to severe cognitive impairment.

The Chronic Illness must have occurred after the Effective Date of the rider.

Under the terms of this rider, the Policy Owner can request to receive portions of the death benefit (minimum of \$1,000) up to 25% and as often as one time per calendar year. An administrative fee of \$100 will be assessed at the time of each acceleration. These requests can be made up to a maximum equaling 95% of the policy death benefit or a maximum amount of \$150,000. The cash value (if any), the amount available for loans (if any), and the premium for the policy will decrease in proportion to the amount of the benefit paid. This rider is automatically added to policies (where available) and requires no additional premium. The payment of the accelerated benefit will reduce the death benefit proceeds by the amount of the benefit paid. *Remember the disclosure statement Form No. 3579-D must be presented to the applicant at point-of-sale. Rider not available in all states.*

## BANK DRAFT PROCEDURES

---

### Draft First Premium Once Policy is Approved:

- 1) Complete the **'PREAUTHORIZATION CHECK PLAN'** fields found at the bottom of the back of the application. Please specify a **'Requested Draft Day'**, if a specific one is desired. If a **'Requested Draft Day' is provided and needs to be drafted on a specific day, provide that date in the Policy Date field (mm/dd/yy)**.
  - (a) Once the application is approved, the the Company will draft the first premium upon the date specified. If the applicant does not provide a specified date, the draft will occur when the Policy is approved.
  - (b) The initial draft cannot occur more than 30 days after the application signature date.
  - (c) The **'Requested Draft Date'** cannot be on the 29th, 30th, or 31st.
- 2) A copy of a voided check or deposit slip should accompany the application. If the applicant cannot provide one, we highly recommend you complete the Bank Account Verification section of Form 9903 and submit it along with the application. Providing this will help with accuracy of account information and will also reduce the occurrences of returned drafts. If a client only uses a debit or check card instead of actual checks, locate a bank statement to obtain the correct account number (DO NOT use the number found on the card). Green Dot Bank (and other pre-paid cards) not accepted.

### Immediate Draft for Cash with Application (CWA) using eCheck:

- 1) To bind coverage IMMEDIATELY, you may use the eCheck option. If this option is selected, you must complete the eCheck section of Form 9903 in addition to items 1 & 2 listed above.
  - (a) The eCheck section of form 9903 (found at the bottom of the form) authorizes the Company to immediately draft for the 1st premium upon receipt of the application. Submit this form along with the application.
  - (b) When the application is approved, the initial premium will be applied to the first premium. Future drafts will be based on the next premium due date and the requested draft day (if one is provided).

### OPTION FOR DRAFTS TO COINCIDE WITH RECEIPT OF SOCIAL SECURITY PAYMENTS

Most people today are receiving their Social Security payments on either the 1st or 3rd of the month, or the 2nd, 3rd, or 4th Wednesday. If you have clients receiving their payments under this scenario and they would like to have their premiums drafted on those same dates, please follow the instructions below:

- On the **'Requested Draft Day'** line of the **'PREAUTHORIZATION CHECK PLAN'** on the back page of the application, you will need to list one of the indicators below:
  - **'1S'** – if payments are received on the 1st of the month
  - **'3S'** – if payments are received on the 3rd of the month
  - **'2W'** – if payments are received on the 2nd Wednesday of the month
  - **'3W'** – if payments are received on the 3rd Wednesday of the month
  - **'4W'** – if payments are received on the 4th Wednesday of the month
- The **'Policy Date Request'** field on the front of the application should not be completed as the actual Policy Date will be assigned by the Home Office once the application is received.

When you follow the steps provided above at point-of-sale, our office will have the necessary information needed to process the premium draft to coincide with your client's Social Security payment schedule. The procedure is just that simple. The remainder of the application documentation is completed as usual. In addition, you always have the ability to request immediate drafts for CWA; just follow normal procedures to do so.

**Replacement of Existing Insurance:**

Great care and attention should be given to any decision to replace an existing policy. You have a responsibility to make sure that your client has all the necessary facts (advantages & disadvantages) to determine if the replacement is in his/her best interest. Replacements (both external & internal) should not be done if it is not in your client's best interest, both short and long-term. For a list of factors to consider before recommending a replacement & other guidelines, please refer to the Company's 'Compliance Guidelines' manual found on our website. Applications involving replacement sales are monitored daily. If a trend of multiple replacements or a pattern of improper replacements is noticed, we may take appropriate disciplinary action including termination of an agent's contract.

**Third-Party Payor:**

The Company has experienced problems in terms of anti-selection, adverse claims experience, and persistency on applications involving 'Third-Party Payors'. This is defined as a premium payor other than the primary Insured, spouse, business, or business partner (regardless of the mode of payment). Examples of 'Third-Party Payors' include brothers, sisters, in-laws, parents, grandparents, aunts, uncles, and cousins when the proposed Insured is age 30 or older. As a result of the issues related to this situation, we **DO NOT** accept Easy Term applications where a Third-Party Payor is involved and the applicant is age 30 or older. We do accept such applications if the payor is a spouse, business, or business partner. If the proposed Insured ranges from ages 18 to 29, we will allow a parent to pay the premiums, but please be advised that additional underwriting requirements, including a telephone interview, motor vehicle report, and criminal records check, will be involved for many of these applications; particularly for those applications where the proposed Insured ranges from ages 25 to 29.

If the Proposed Insured has a condition which is listed in the **Medical Impairment Guide** as a **Decline** or if he or she exceeds either the maximum or minimum weight in the **Build Chart** provided in this guide, the application should not be submitted to the Home Office.

This applies regardless of the plan(s) which have previously been written or who the writing agent may have been on the previous policies.

It is often easier and in the best interests of your clients to request that a policy be re-dated or reinstated rather than completing a new application. Below are the Company guidelines to follow:

**Re-date and Reinstate Request\*:**

- If the request is being made within 60 days of the policy date:
  - A policy can be re-dated simply by sending an email request to our **Client Experience Department** at [cx@aatx.com](mailto:cx@aatx.com).
  - There is no additional paperwork necessary.
  - \* A policy can be re-dated ONE time only

**Reinstatement Requests Only\*\*:**

- If the policy lapse has occurred 60 days after the policy date & within the first policy year:
  - We require both a 'Statement of Health' (Form No. 1110) & HIPAA (Form No. 9526) be completed.
  - In addition, a new bank authorization (Form No. 1963) is required if payments will be made via bank draft. Or we would require the back premiums due if the payments will be made on direct bill. Payment or bank draft form must be returned with the required forms.
  - The documents above should be faxed to **Client Experience** at **(254) 297-2105**.
  - As an alternative, a new application can be completed and submitted with 'Reinstate' and the policy number indicated at the top. These should also be faxed to **Client Experience** at **(254) 297-2105**.
- If the policy lapse occurred more than one year after the policy date:
  - We require a new application to be completed and faxed to the **New Business Department** at **(254) 297-2100**.
  - \*\* Upon request we will review these on a case-by-case basis to see if they can be considered for a re-date & reinstate.

**PREMIUMS REQUIREMENTS:**

- UL or Non-ROP Term – 2 months premium or 1 modal premium
- ROP Term – all missed premiums
- All other plans – all missed premiums

In the case that the policy is over loaned, we may need loan interest or a loan payment.

## TELEPHONE INTERVIEW

A telephone interview conducted with the Proposed Insured may be required based on the Non-Med Limit Chart below. If an interview is required, it may be completed at point-of-sale.

After fully completing the application, you may call from the client's home for the personal history telephone interview. The interview is designed to confirm the answers given on the application. The interview can be completed in either of 2 ways:

- 1) at point-of-sale, or
- 2) the interview company will contact the Proposed Insured after receipt of the application by the Home Office.

**Point-of-sale telephone interviews can be completed by calling the toll-free number below. When calling the vendor be sure to identify yourself, Company, and product being applied for 'Easy Term' and whether or not the applicant is applying for the Critical Illness Rider or the Total Disability Benefit Rider.** The applicant must always complete the telephone interview without assistance from the agent or another person. If the interview is completed at point-of-sale, mark the 'Telephone interview done' question 'Yes' in the upper, right hand corner of the application. If the sale is made outside of the vendor's hours of operation or if the interview is not completed at point-of-sale, mark the question 'NO', and the interview company will initiate the call after receipt of the application.

## **SPEED UP YOUR TURNAROUND TIME!**

### **Practice these simple guidelines**

The EASY TERM plan is issued Standard for applicants who would normally be considered up to table 4 by most underwriting standards today. Applicants who are considered high-risk or declinable should not be sent to our Company for consideration.

BEFORE asking any health questions, stress the importance for 'truthful and complete' answers, including tobacco use that will 'match' information already in the applicant's medical records, national prescription database, MIB, etc.

If an applicant answers '**YES**' to any health question, such as high blood pressure, cholesterol, or diabetes get full details. Ask the following information: age at onset, name all remove the extra space last reading, and how often the problem is checked, name of doctor treating condition, date last seen, etc. THE MORE COMPLETE INFORMATION you can provide on the application significantly REDUCES the need to order medical records or an interview...and speeds up issue time!

### **PRACTICE GOOD FIELD UNDERWRITING OR...**

An agent with a history of submitting applications with Non-Admitted medical information will likely receive special attention when their applications are reviewed by the Underwriting Department. That agent's applicants will receive a phone interview and/or medical records will be requested until the underwriters believe that agent has corrected their field underwriting problems.

Agents need to stress to the Proposed Insured the necessity for complete and truthful answers to all questions on the application before asking the health questions, including tobacco use.

### ***Easy Term Medical Impairment Guide***

Underwriters will try to evaluate the risk as quickly as possible, so the following factors are essential:

- Good Field Underwriting – Carefully ask all the application questions and accurately record the answers.
- Client Honesty and Cooperation – Underwriting relies heavily on the application; therefore, complete and thorough answers to the questions are necessary. Please stress this and prepare the Proposed Insured for an interview, if required based on age and face amount. The interview will be brief, pleasant, and professionally handled.

The Medical Impairment Guide has been developed to assist you in determining a Proposed Insured's insurability. This Guide is not all-inclusive, and State specific applications may differ from the information provided. If you have any questions about medical conditions not listed here, or how a medical condition may affect a State specific application, please contact the Home Office for a Risk Assessment via our Online Chat or at [riskassess@aatx.com](mailto:riskassess@aatx.com). Underwriting reserves the right to make a final decision based on all factors of the risk.

## EASY TERM PRESCRIPTION REFERENCE GUIDE

Where medications that can be used for more than one condition exist, the alternate uses and appropriate level of coverage have been indicated.

If 'N/A' appears in this column, then the Underwriting decision will be the same regardless of when the medication was prescribed.
