Lapse protection

Lapse protection endorsement

Lapse protection guarantees the policy death benefit for the duration of the guarantee and does not cover cash or surrender value. Loans, withdrawals, and other policy and premium changes will affect the cost and length of protection. Failure to make premium payments as planned may cause the policy to lose lapse protection and premiums required to restore it could be significantly higher. Refer to the policy and endorsements for complete terms, conditions, and limitations.

Catch up

If lapse protection is lost, your clients may restore it by paying additional or higher premiums. The premiums required to restore lapse protection may be significantly higher than the premiums illustrated.

Policy lapses

Grace period

If on any monthly anniversary, the cash value minus the policy debt is insufficient to pay the monthly deduction for the upcoming month and the lapse protection is not in effect, the policy will enter the grace period. The policy will lapse.

Policy changes

Decrease coverage

After the policy has been in force for at least three years, a decrease may be requested. The new face amount may not be less than the minimum face amount. A withdrawal/partial surrender charge will be deducted with any face amount decrease.

Policy owner information

Annual report

A personalized report is sent after each policy anniversary. The report shows the status of the Lapse Protection Account, premium payments, interest credits, cost of insurance charges, expense charges, loans, partial surrenders, surrender value and policy value.

The policy

The policy form, including all endorsements, will provide information regarding benefits provided, premium payments, charges, determination of values, the Lapse Protection Endorsement, and other provisions and charges.
