List of Company Ratings

Company: North American Co for L&H Ins
Domicile: IA
Established: 1886

A.M. Best Company Rating

A+ (2)

Superior. Assigned to companies that have, in our opinion, a superior ability to meet their ongoing obligations to policyholders.

Standard & Poor's Financial Strength Rating

A+ (5)

An insurer rated 'A' has STRONG financial security characteristics, but is somewhat more likely to be affected by adverse business conditions than are insurers with higher ratings.

Fitch Ratings' Insurer Financial Strength Rating

A+ (5)

Strong. 'A' IFS ratings denote a low expectation of ceased or interrupted payments. They indicate strong capacity to meet policyholder and contract obligations. This capacity may, nonetheless, be more vulnerable to changes in circumstances or in economic conditions than is the case for higher ratings.

Weiss Safety Rating

B (5)

Good. The company offers good financial security and has the resources to deal with a variety of adverse economic conditions. It comfortably exceeds the minimum levels for all of our rating criteria, and is likely to remain healthy for the near future. However, in the event of a severe recession or major financial crisis, we feel that this assessment should be reviewed to make sure that the firm is still maintaining adequate financial strength.
