# Century+ DI Occupational Underwriting Guidelines

## General Occupational Guidelines

### Full-Time, Part-Time and Seasonal Occupations

- Applicants must be employed on a full-time basis (at least 30 hours per week) at the time of application.
- Applicants exclusively employed in seasonal occupations are not eligible for coverage.
- Applicants engaged in more than one occupation, even on a part-time or seasonal basis, will be classified according to their most hazardous occupation.
- Applicants working above ground level will be considered if the height is 40 feet (4 stories) or less.

## Self-Employed Occupations

### Business Owner Upgrade

One occupation class upgrade is allowed for business owners meeting the following criteria:

- at least 10 percent ownership,
- self-employed for at least two years,
- net income of at least \$30,000, and
- not a medical professional, farmer, trucker or roofing contractor.

Applicants upgrading from 1A to 2A are not eligible for the 10-year, to-age-65 or to-age-67 benefit periods. Applicants upgrading from 2A to 3A are not eligible for the Non-Cancelable Rider and the Own Occupation Rider. Underwriting guidelines for all applicants applying for the upgrade will be based on their original occupational class.

### Business in the Home

Self-employed applicants conducting business in their home 50 percent of the time or less will be underwritten with normal guidelines and eligible for full benefits.

Self-employed applicants conducting business more than 50 percent of the time in their home will be underwritten with the following guidelines:

- the applicant must be employed full time in the current home-based occupation for at least two years;
- the applicant must provide income verification including copies of two most recent years' tax returns, both business and personal, with all schedules and W-2 forms;
- full benefits are available based on the applicant's occupation class;
- for issue ages 18 through 55, all benefit periods are available;
- for issue ages 56 through 60, 5-year benefit period is available; and
- at the underwriter's discretion, Assurity may make offers on cases that would have ratings and/or exclusion riders.

**NOTE:** W-2 employees working in the home more than 50 percent of the time will be underwritten with normal guidelines and eligible for full benefits.

### Newly Self-Employed Applicants

Newly self-employed applicants without a full calendar year's tax return from self-employment will be required to demonstrate prior full-time employment in a related field. No offers for coverage will be made to

newly self-employed applicants without related experience. Any offers made will be based on the following guidelines:

- income considered in underwriting will be half of the applicant’s documented average annual income over the last two years;
- standard cases only – no exclusion riders or ratings;
- issue ages 18 through 55 are eligible;
- 5-year benefit period is available;
- 90, 180 or 365-day elimination period is available;
- policy maximum is \$2,000 monthly benefit and SDIR maximum is the monthly benefit based on half of the average of the applicant’s documented annual income over the last two years; and
- Automatic Benefit Increase Rider, Catastrophic Disability Benefit Rider, Critical Illness Benefit Rider, Guaranteed Insurability Rider, Return of Premium Benefit Rider and Supplemental Disability Income Rider (SDIR) are available.

After newly self-employed applicants have been in business for one year, they are eligible for normal underwriting and full benefits based on that year’s tax returns. This period may be shortened at the underwriter’s discretion if the applicant is taking over for a parent or managed the business prior to ownership.

**NOTE:** W-2 employees transitioning to a contracted or consulting position with contracts showing a salary that will be paid for at least one year are eligible for full benefits based on their income. A copy of that contract must be provided to Assurity. If more than 50 percent of the applicant’s work is conducted at home, Assurity will still allow full benefits.

## Why Assurity?

At Assurity, we're working hard to make the business of insurance simple – more human – by listening, showing that we care and offering customers invaluable insurance products and financial protection. More than a business with a bottom line, we're a mutual organization whose mission is helping people through difficult times. By dedicating ourselves to the community, the environment and using our business as a force for good, we're able to take the long view when it comes to upholding our promises. Assurity is also the first major life and specialty health insurer to become a Certified B Corporation®, demonstrating we meet the rigorous standards of social and environmental responsibility.
