

DESIGNED WITH YOUR RECOVERY IN MIND

Cancer Insurance & Heart Attack/Stroke Insurance

Cancer Insurance & Heart Attack/Stroke Insurance, as part of the Critical AdvantageSM portfolio, can help fill the gap between existing health care coverage and the costs of treatment.

With the diagnosis of a covered condition comes the reality of medical bills, the cost of high deductibles, ongoing living expenses, time off for treatment and for many, unexpected out-of-pocket costs. Products in the Critical Advantage portfolio can help you to focus on your treatment, not your finances.

Should you be diagnosed with any of the conditions covered, a payment is sent directly to you, not the health care provider. No receipts or medical bills necessary. Payment is to you, for you.

It's a Fact

Cancer in America

Nearly 1 in 3 women and 1 in 2 men¹ are expected to develop cancer during their lifetime and with medical advances, more and more people survive this disease.

Heart Disease in America

Approximately every 40 seconds, an American will have a heart attack.²

Cost of Treatment

If something happens to you or a member of your family, your health insurance will help pay doctor and hospital bills. Serious health conditions, like those covered in the Critical Advantage portfolio, often include other factors to consider, from lost income to keeping up with ongoing living expenses.

Choose the coverage for whatever concerns you the most and complete your coverage plan.
