

RATES TO FIT YOUR CLIENT'S BUDGET

Cancer Insurance

Mutual of Omaha's Cancer Insurance offers benefits that help people diagnosed with cancer focus on getting well.

How Cancer Insurance Helps Your Clients

Your clients receive a one-time payment after a cancer diagnosis — a benefit that can cover costs that aren't covered by most employer-based health insurance plans.

Here are some of the ways your clients can use their cancer insurance benefits:

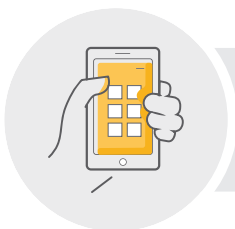

- Replacing lost income
- Paying for everyday expenses like groceries and bills
- Hiring home health care or child care services
- Traveling to treatment facilities
- [Paying health insurance deductibles and copayments]

And our cancer product is easy to quote and easy to underwrite — there are only three knockout questions for your clients to answer for up to \$50,000 of coverage.

A Closer Look at Our Great Rates

Our cancer insurance offers your clients competitive rates that allow them to focus on their health, rather than their finances. Check out the example below.
