Policy Date means the date from which the Initial Premium is due. The Policy Date is shown in Section 1. Policy Years, Policy Months and Policy Anniversaries are determined from the Policy Date.

Policy Month begins on the day in each calendar month that corresponds with the day of the calendar month on which the Policy Date occurred.

We, us and our means the Company.

You and your means the owner of this policy.

3. DEATH BENEFIT

If the Life Insured dies while this policy is in force, we will pay a Death Benefit upon receipt of due proof of death of the Life Insured, subject to any applicable provisions of the policy.

The Death Benefit payable will be the amount described in (1) or (2) below, at the time we receive due proof of death.

- (1) If all premiums due are paid to date, we will pay:
 - (a) the Face Amount shown in Section 1; plus
 - (b) any amount of premium paid that applies to a period beyond the Policy Month in which death occurs.
- (2) If death occurs during a Grace Period, and we have not received the premium due, we will pay:
 - (a) the Face Amount shown in Section 1; less
 - (b) the amount of premium required to cover a period of one month only.

4. INTEREST ON PROCEEDS

We will pay the Death Benefit in one lump sum including interest as follows:

- (a) interest shall accrue and be payable from the date of the Life Insured's death;
- (b) interest shall accrue at the rate or rates applicable to the policy for funds left on deposit or, if we have not established a rate for funds left on deposit, at the Two Year Treasury Constant Maturity Rate as published by the Federal Reserve. In determining these rates, we will use the rate in effect on the date of death;
- (c) interest shall accrue at the effective annual rate determined in item (b) above, plus additional interest at a rate of 10% annually beginning with the date that is 31 calendar days from the latest of items (i), (ii), and (iii) to the date the claim is paid, where it is:
 - (i) the date that due proof of death is received by us;
 - (ii) the date we receive sufficient information to determine liability, the extent of the liability, and the appropriate payee legally entitled to the proceeds; and
 - (iii) the date that legal impediments to payment of proceeds that depend on the action of parties other than the Company are resolved and sufficient evidence of the same is provided to the Company. Legal impediments to payment include, but are not limited to: (a) the establishment of guardianships and conservatorships; (b) the appointment and qualification of trustees, executors, and administrators; and (c) the submission of information required to satisfy state and federal reporting requirements.

5. PREMIUMS

Premiums Due

Initial Premium is shown in Section 1, and is due on or before the delivery of this policy. No insurance will take effect under this policy until our underwriters approve issuance of this policy and the conditions specified in the application form have been satisfied, including receipt of at least the Initial Premium at our Service Office. Premiums are due during the Life Insured's lifetime until the Expiry Date of this policy. Subsequent premiums can be paid on any Business Day before their due dates at our Service Office. The premium due date is the first day of the premium payment frequency shown in Section 1. On request we will give you a receipt signed by one of our officers.

You may elect an annual, semi-annual, quarterly or monthly frequency to pay your premium. You may change the frequency of premium payments by making a Written Request to us. If you elect either the semi-annual, quarterly, or monthly frequency, an additional charge will apply, resulting in annualized premiums that are higher than if you elected the annual frequency. The Insurance Premium for each frequency is shown in Section 1 of the policy. If you have any questions about frequency of premium payments, please contact our Service Office.

The Expiry Date is shown in the Section 1.

Premium Change

The Term Life Insurance Premiums are level throughout the Level Premium Period shown in Section 1.

After the Level Premium Period, the Insurance Premiums and any premium for Additional Ratings and Supplementary Benefits will increase, but will never exceed the Renewal Premium Schedule shown in Section 1.

Periodically, we may change the current renewal Insurance Premiums payable based on our expectations of future mortality, persistency, investment earnings, expense experience, capital and reserve requirements, and tax assumptions. Any such change in the current renewal Insurance Premiums will be made prospectively on a basis that does not discriminate unfairly within any class of life insureds. Under no circumstances will the current renewal Insurance Premium for any Policy Year exceed the corresponding Maximum Renewal Premium Schedule shown in Section 1.

5. PREMIUMS (continued)

Returned or Protested Payments

The Company does not accept checks or other instruments unconditionally and, therefore, any purported payment(s) submitted to the Company by check or any other instrument including a wire transfer, whether or not credited to the policy by the Company, which is returned or protested does not constitute payment. The Company undertakes no duty to notify any person of a returned or protested payment, except as may be required by applicable law. Any information about the policy, including but not limited to verifications of coverage provided in any form by the Company on account of such submission(s) is not valid and shall not constitute a waiver or estoppel with respect to any of the terms or conditions of the policy. Such submissions will not prevent or delay a default or termination and do not extend the time for payment or any Grace Period as provided for under the policy.

6. GRACE PERIOD

This policy and any supplementary benefit riders will go into default, if any premium after the first is not mailed within 31 days after the due date. This is called the Grace Period, during which the policy will remain in force. Any payment sent by U.S. mail must be postmarked within the Grace Period. If a premium is not mailed by the end of the Grace Period, the policy will terminate without value.

7. FACE AMOUNT

The Face Amount is elected at issue and shown in Section 1. Increases in the Face Amount are not allowed. You may request a decrease in the Face Amount as shown in Section 1, provided that the Face Amount does not fall below the Minimum Face Amount as shown in Section 1. All requested changes will be subject to our approval.

8. POLICY TERMINATION

The policy terminates at the earliest of the following events:

- (a) the date we receive your Written Request for termination;
- (b) the Expiry Date;
- (c) the end of the Grace Period if the premium due is not mailed within the Grace Period;
- (d) the Conversion Date as described in Section 10, if applicable; or
- (e) the death of the Life Insured

If the policy terminates on a date other than a premium due date, we will refund any amount of premium received that applies to a period beyond the Policy Month in which the policy terminates.

9. REINSTATEMENT

If this policy terminates at the end of the Grace Period, you may apply for reinstatement of the policy within three years from the date of default. Reinstatement is subject to our approval. The requirements for reinstatement are as follows:

- (a) we must receive Written Request for reinstatement;
- (b) the reinstatement is before the Expiry Date;
- (c) you have not converted this policy pursuant to the Conversion provision, if applicable;
- (d) we must receive Evidence of Insurability for the Life Insured; and
- (e) we must receive:
 - (i) all overdue premiums when the reinstatement is within the Level Premium Period shown in Section 1; or
 - (ii) one month's premium when reinstatement is after the Level Premium Period.

If we approve your request, the reinstatement date will be the later of:

- (a) the date we receive the required premiums at our Service Office; or
- (b) the date we receive your Written Request for reinstatement.

The application of the Suicide and Incontestability provisions to reinstatements is described in Sections 14 and 15.

10. CONVERSION

If this policy is convertible, the Conversion Period and Products Available for Conversion are described in Section 1.

The product to which you convert must be life insurance that you would otherwise be able to apply for as a new policy at the time of conversion and cannot be a product that is primarily sold as part of a corporate-owned or corporate-sponsored program or benefit plan or sold in connection with a private placement.

At the time of conversion, the Life Insured must meet the requirements for age, risk classification, additional ratings, minimum face amount, and minimum premium for the new policy.

We will not require Evidence of Insurability on the Life Insured at the time of conversion, up to the Face Amount of this policy. The risk classification for the new policy will be the same as this policy, or if not available then the risk classification that is most comparable to the risk classification on this policy.

If the conversion request to a permanent plan of life insurance includes an increase in the Face Amount or the addition of a supplementary benefit rider that is not in force on this policy at the time of conversion, Evidence of Insurability on the Life Insured will be required and such increase or the inclusion of such supplementary benefit rider on the new policy will be subject to our approval. The Policy Date for the permanent plan of life insurance will be the Conversion Date and the premium will be based on the rates we charge for a new policy at the time of conversion, based on the Life Insured's Age on the Conversion Date.

If the conversion request is to a Healthy Engagement Term plan of life insurance, the Face Amount of the new policy must be the same Face Amount as this policy. You may not add any supplementary benefit rider to the new policy that is not in force on this policy at the time of conversion. The Policy Date for the new policy will be the same as the Policy Date on this policy. The Select Period under the new policy will begin on the Policy Date and must be equal to the Level Premium Period under this policy. As of the Issue Date of the new policy, the Select Period will be equal to the remaining Level Premium Period under this policy. The premium rate we charge on the new policy at the time of conversion is based on the Life Insured's Age on the Policy Date and may be higher or lower than the premium rate on this policy. All premiums paid on this policy will be applied to the new policy as of the Policy Date. If the premium on the new policy is less than this policy, any excess premium will be returned to you. If the premium on the new policy is greater than this policy, the difference in premium must be paid prior to the Conversion Date.

Disability Rider at Conversion

You can purchase the Disability Payment of Specified Premium Rider on the permanent plan of insurance without Evidence of Insurability on the Life Insured if all of the following conditions are met:

- (a) you have the Total Disability Waiver Rider in force on this policy;
- (b) it is available on the plan of insurance to which you are converting;
- (c) the Life Insured is not totally disabled on the Conversion Date;
- (d) the Life Insured is not more than Age 55 on the Conversion Date; and
- (e) premiums are due under the permanent plan of insurance for at least twenty-five years.

Suicide and Incontestability

The Suicide and Incontestability periods for the new policy will be deemed to have been met to the extent coverage was in force under this policy. We can contest an increase in the Face Amount, any policy change, or the addition of a new life or supplementary benefit rider for two years after the date of such increase, change, or addition.

Conversion Date

The new policy will take effect on the Conversion Date. If no Evidence of Insurability is required in connection with the conversion request, the Conversion Date is the first day of the Policy Month following the date we receive your signed application accompanied by the first premium payment, if applicable. We must receive your premium payment and the signed application for the new insurance during the Conversion Period.

11. OWNER AND BENEFICIARY

Until the Life Insured's death, you can receive any amount payable under the policy and exercise all rights and privileges granted by the policy.

Change of Owner

Until the Life Insured's death, you can change the ownership of the policy by Written Request. Unless specified by you, the change will take effect as of the date you signed the Written Request. It will not apply to any payments we made or any action we may have taken before we received your Written Request at our Service Office.

Trustee Owner

Should the owner be a trustee, payment to the trustee(s) of any amount to which the trustee(s) is (are) entitled under the policy, either by death or otherwise, will serve as final settlement of the Insurance Benefit.

Joint Ownership

Two or more owners will own the policy as joint tenants with right of survivorship, unless otherwise requested on the application or in any subsequent assignment of the policy. On death of any of the owners, the deceased owner's interest in the policy passes to the surviving owner(s).

Successor Owner

If an owner dies prior to the death of the Life Insured, a named successor owner will, if then living, have all the owner's rights and interest in the policy. The owner can designate, cancel, or change the designation of successor owner prior to the death of the Life Insured by written agreement provided to us.

The following four provisions will apply unless there is a beneficiary appointment in effect that provides otherwise.

Beneficiary Classification

You can appoint beneficiaries for the Death Benefit in three classes: primary, secondary, and final. Beneficiaries in the same class will share equally in the Death Benefit payable to them.

Payment To Beneficiaries

We will pay the Death Benefit:

- (a) to any primary beneficiaries who are alive when the Life Insured dies; or
- (b) if no primary beneficiary is then alive, to any secondary beneficiaries who are then alive; or
- (c) if no primary or secondary beneficiary is then alive, to any final beneficiaries who are then alive.

Change of Beneficiary

Until the Life Insured's death, you can change the beneficiary by Written Request unless you make an irrevocable designation. If an irrevocable beneficiary is named, such beneficiary cannot be changed without the written consent of the irrevocable beneficiary. We are not responsible if the change does not achieve your purpose. Unless otherwise specified by you, the change will take effect as of the date you signed such request. It will not apply to any payments we made or any action we may have taken before we received your Written Request.

Death of Beneficiary

If no beneficiary is alive when the Life Insured dies, the Death Benefit will be payable to you; or if you are the Life Insured, to your estate. Unless otherwise provided, if a beneficiary dies before the seventh day after the death of the Life Insured, we will pay the Death Benefit as if the beneficiary had died before the Life Insured.

12. ASSIGNMENT

Your interest in this policy may be assigned with the written consent of any irrevocable beneficiary. Your interest, any interest of the Life Insured and of any revocable beneficiary shall be subject to the terms of the assignment, but such assignment shall not affect the interest of any irrevocable beneficiary. Unless otherwise specified by you, any assignment will take effect on the date the notice of assignment is signed by you; however, it will not apply to any payments made or actions taken by us prior to receipt of notice.

We will not be on notice of any assignment unless it is in writing, nor will we be on notice until a copy of the original assignment has been received at our Service Office. We assume no responsibility for the validity or sufficiency of any assignment.

13. MISSTATEMENTS

If the age or sex (if issued on a sex distinct basis) of the Life Insured was misstated in the application, we will, if necessary, change the Face Amount of insurance and every other benefit. The new amount will be what the premiums paid would have purchased at the Life Insured's correct age and sex (if issued on a sex distinct basis). If a date in Section 1 was based on an incorrect age, we will change the date to agree with the correct age.

14. SUICIDE

If the Life Insured commits suicide, while sane or insane, within [two years] from (i) the Issue Date or (ii) the reinstatement date to the extent permitted by applicable law in the state where this policy was delivered or issued for delivery, the policy will terminate on the date of such suicide and we will pay (in place of all other benefits, if any) an amount equal to the premiums paid.

We reserve the right under this provision to obtain evidence of the manner and cause of death of the Life Insured.

15. INCONTESTABILITY

This policy shall be incontestable after it has been in force during the lifetime of the Life Insured for two years from the Issue Date, except for:

- (a) non-payment of premium, or
- (b) fraud in the procurement of this policy, when permitted by applicable law in the state where this policy was delivered or issued for delivery, or
- (c) any reinstatement or policy change requiring Evidence of Insurability.

Except in the case of reinstatement or policy change requiring Evidence of Insurability, the policy can only be contested based on a material misstatement contained in the application for this policy that is attached as part of the policy.

In the case of reinstatement or policy change requiring Evidence of Insurability, the contestable period shall be two years, during the lifetime of the Life Insured, from the effective date of such reinstatement or policy change. Any such contest will be based only on material misrepresentations made in the application for reinstatement or policy change, unless the original contestability period is not yet expired.

We reserve the right under this provision to obtain evidence of the manner and cause of death of the Life Insured.

16. THE CONTRACT

The written application for the policy is attached at issue. The entire contract between the applicant and us consists of the policy, such application, and any riders and endorsements.
