1. Apple Watch program is not available in New York or Puerto Rico. Apple Watches ordered through John Hancock Vitality may not be shipped to addresses in Guam. Once your clients become a Vitality PLUS member and complete the Vitality Health Review (VHR), they can order Apple Watch by electronically signing, at checkout, a Retail Installment Agreement with the Vitality Group, for the retail price of the watch. After an initial payment of \$25 plus tax, over the next two years, monthly out-of-pocket payments are based on the number of Standard Workouts (10,000 to 14,999 steps) and Advanced Workouts (15,000+ steps) completed or the applicable Active Calorie or heart rate thresholds. The step counts required for Standard and Advanced Workouts are reduced for members beginning at age 71+. One-time upgrade fees plus taxes apply if your customers choose (GPS + Cellular) versions of Apple Watch, larger watch case sizes, and certain bands and case materials. For more information, please visit JHSalesHub.com.com. Apple is not a participant in or sponsor of this promotion. Apple Watch is a registered trademark of Apple Inc. All rights reserved.

Conversion is limited to policies offered to individual policy owners at the time of conversion. If the new policy includes a rider that is not in force on the term policy, evidence of insurability is required. For conversion to survivorship products, retention and certain underwriting considerations may apply. Unlike term insurance, variable universal life insurance has fluctuating returns and death benefits, and because variable universal life insurance policies offer investment options, there are investment fees in addition to the cost of maintaining an insurance policy. Please refer to your contract for details of your conversion provision.

Vitality is the provider of the John Hancock Vitality Program in connection with policies issued by John Hancock. John Hancock Vitality Program rewards and discounts are available only to the person insured under the eligible life insurance policy, may vary based on the type of insurance policy purchased and the state where the policy was issued, are subject to change and are not guaranteed to remain the same for the life of the policy.

Insurance products are issued by John Hancock Life Insurance Company (U.S.A.), Boston, MA 02116 (not licensed in New York) and John Hancock Life Insurance Company of New York, Valhalla, NY 10595.
