

Waiver of Premium Disability Benefit Rider

Lafayette Life
Insurance Company

A member of Western & Southern Financial Group

FEATURES AND BENEFITS

The Waiver of Premium Disability Benefit (WP-05) rider waives payment of premiums under the policy, including any additional benefits, except the LPUA and FPUA riders, when the insured cannot perform the substantial and material duties of his or her regular occupation at the time the insured became disabled for a period of at least six months.

How It Works

Prior to Age 60:

If the insured were to become totally disabled while the policy is in force, prior to age 60, Lafayette Life would waive the payment of premiums under the policy, including any additional benefits, except the LPUA and FPUA riders, beginning with the date of disability, for as long as the insured remains disabled during the premium paying period of the policy.

Between Ages 60 and 65:

If the insured were to become totally disabled while the policy is in force, between ages 60 and 65, Lafayette Life would only waive premiums, including any additional benefits, except the LPUA and FPUA riders, while the insured is totally disabled, until age 65.

DEFINITIONS

Total Disability

The Waiver of Premium Disability Benefit rider defines total disability as a disability that:

- 1 Results from bodily injury or disease.
- 2 Begins while the rider is in force.
- 3 Begins before the annual date next following the insured's 65th birthday.

- 4 Exists continuously for six months.
- 5 Prevents the insured from performing the substantial and material duties of the insured's regular occupation at the time the insured became disabled.

Presumptive Total Disability

Even if the insured were to work at the insured's regular occupation, Lafayette Life would consider the disability total were it to result in the total and permanent loss of any of the following:

- Sight of both eyes.
- Use of both hands.
- Use of both feet.
- Use of one hand and one foot.
- Speech.
- Hearing in both ears.

LIMITATIONS

Waiver of Premium is not available when the death benefit of the base plan, plus any children's insurance rider and term rider benefits, is in excess of \$5,000,000.

AGE LIMITS

The benefit is issued at insured ages 0 through 60.
