

LIFE INSURANCE **made simple.**

United Home Life Insurance Company and its parent company, United Farm Family Life Insurance Company, are family-oriented companies founded in 1948 and 1937, respectively.

We're financially strong, as evidenced by our ratings from A.M. Best, a leading independent analyst of the insurance industry since 1899, which has assigned the financial-strength rating of A (Excellent) to both United Home Life and United Farm Family Life, and we have maintained notable ratings for over half a century. This is the third highest rating, respectively, of 16 ratings.

Both companies combined have more than \$2.7 billion in assets, and over \$22 billion of life insurance in force, so we're well-positioned to meet our obligations to our policyholders.

We believe that understanding the options you have in your life insurance policy shouldn't be complicated. For more information, talk with a United Home Life or United Farm Family Life independent insurance agent.

WE MAKE IT simple

There’s just one non-health underwriting question^ on the Protector AD application:

In the past three (3) years, have you had any participation in, or contemplate any future participation in any hazardous sport or aviation, or had your driver’s license suspended or revoked, or in the past five (5) years have you been convicted of operating a vehicle while intoxicated?

If you can answer this question “no”, we’ll issue the policy.”

Protector AD can be a valuable addition to your existing insurance portfolio. It’s affordable coverage with built-in guarantees that provides protection for your loved ones when the unexpected happens.
