Options for every opportunity

Products and services guide

December 2023

It all starts with a good product.

Finding the right product to fit your clients' unique needs is essential. This guide can help make that easy for you. Use it to quickly compare target markets, sales opportunities, and available features for our life products.

One size doesn't fit all. Put value-oriented life insurance products built with purpose and integrity to work for you. We offer the following:

- An array of products that are easy to understand and easy to sell
- Attractive income distribution features that make getting income easy for you and your clients
- Customer-friendly features that offer flexibility and diversification to meet a variety of needs for businesses, their owners, and key employees
- Broad rider offerings to help customize coverage

But, there's more to the story...

It's the sales support and services from Principal[®] that make the real difference. We'll collaborate with you throughout the entire sales process to design custom solutions to meet your clients' needs and goals. We're here to help so you can focus more time on building relationships with clients and growing your business. Take advantage of the following:

- Door-opening services to help you get in front of more prospects
- Innovative and customer-friendly underwriting and new business programs
- Robust policy and plan administrative services

Focused on the business market

Discover the vast opportunities available to you.

We're a leader in the business market, so we know how to help you succeed. It starts by helping you understand how we define this market and the many opportunities it provides. Here are some examples:

- Life insurance sales used to fund any of our 30+ business concepts (e.g., key person, buy-sell, and bonus plans)
- Nonqualified deferred compensation using corporate-owned life insurance (COLI)
- Any life insurance plans administered on our Business Market Administration (BMA) platform
- Personal insurance for business owners, key employees, and their families as well as legacy and estate planning
- Trust-owned insurance for business owners and key employees

Note: All products detailed in this guide can be used for business market sales.

🖵 Get in front of more clients, more often.

We have the tools to help you start the conversation with clients and identify opportunities.

For businesses

Use our innovative approach tools:

- Business Planning Services helps you open doors with complimentary informal business valuation & business planning reports and buy-sell reviews.
- Business Needs Assessment helps your clients and prospects identify planning needs and provides them with a customized assessment in three key areas—protecting their business, employees, and lifestyle.

Visit www.principal.com/BusinessSolutions for details.

For personal coverage

Help business owners, key employees, and their families get the personal insurance protection they need:

- Income replacement
- Legacy and estate planning
- Supplemental retirement income

Attractive term conversion options:

Your clients have differing needs for term conversion, and we offer options.

No conversion. The nonconvertible policy has no conversion rights and offers the lowest-cost premium available.

Limited conversion period. The convertible policy offers conversion for a portion of the level term period:

10YT: First seven policy years² 15YT: First 12 policy years² 20YT: First 15 policy years² 30YT: First 20 policy years²

 $^{2}\,$ Or until the policy anniversary nearest the insured's attained age 70, whichever is earlier.

Full level term conversion. The convertible policy with Conversion Extension rider extends the option to convert to the earlier of completion of the level term period or the insured's attained age 70.
