A.M. Best Company Rating

A+ (2)

Superior. Assigned to companies that have, in our opinion, a superior ability to meet their ongoing obligations to policyholders.

Standard & Poor's Financial Strength Rating

AA- (4)

An insurer rated 'AA' has VERY STRONG financial security characteristics, differing only slightly from those rated higher.

Moody's Financial Strength Rating

Aa3 (4)

Insurance companies rated Aa offer excellent financial security. Together with the Aaa group, they constitute what are generally known as high-grade companies. They are rated lower than Aaa companies because long-term risks appear somewhat larger.

Fitch Ratings' Insurer Financial Strength Rating

AA- (4)

Very strong. 'AA' IFS ratings denote a very low expectation of ceased or interrupted payments. They indicate very strong capacity to meet policyholder and contract obligations. This capacity is not significantly vulnerable to foreseeable events.

Weiss Safety Rating

B (5)

Good. The company offers good financial security and has the resources to deal with a variety of adverse economic conditions. It comfortably exceeds the minimum levels for all of our rating criteria, and is likely to remain healthy for the near future. However, in the event of a severe recession or major financial crisis, we feel that this assessment should be reviewed to make sure that the firm is still maintaining adequate financial strength.

Comdex Ranking - VitalSigns Composite Index

95

The Comdex gives the average percentile ranking of this company in relation to all other companies that have been rated by the rating services. The Comdex Ranking is the percentage of companies that are rated lower than this company.
