Updates to *Lincoln AssetEdge*[®] VUL (2022)

Effective January 22, 2024

Reprinted from the 12/21/23 Lincoln Leader

We're proud to offer one of the largest life portfolios in our industry, which we are consistently refining to keep us poised to meet the needs of the future. We recognize the growing consumer trend for accumulation products, which offer greater performance-driven protection.

The following product changes enable Lincoln to maintain a consistent industry-leadership position while we deliver competitive value for your clients interested in upside potential with options for downside protection.

Effective January 22, 2024, we are making updates to *Lincoln AssetEdge* VUL (2022), a variable universal life insurance product.

Decreased Target Premium on *Lincoln AssetEdge* VUL (2022)-1/22/24

- Target premiums will decrease on average by 9% for Death Benefit Option 1 and Death Benefit Option 3 designs only, and remain highly competitive. Target premiums for Death Benefit Option 2 remain unchanged.

Lincoln AssetEdge VUL base product, pricing and features are not changing between the *Lincoln AssetEdge* VUL (2022) – 1/24/22 and the *Lincoln AssetEdge* VUL (2022) – 1/22/24. The decrease in target premium rates is the only change from the old version to the new.

With these updates, *Lincoln AssetEdge* VUL continues to provide a competitive solution for traditional accumulation as well as protection-focused needs, offering growth potential through a wide array of investment opportunities offered by top tier fund partners, multiple tax advantages, and solid protection.

Transition Guidelines for the Target updates:

There is a transition period which begins on January 22, 2024 and ends on February 11, 2024. Applications received on or after February 12, 2024, will receive the new *Lincoln AssetEdge* VUL (2022) – 1/24/24 product. All states are automatically approved at rollout, with the exception of New York where the product is not currently available. During the transition period:

- **To secure the old product, formal** applications must be signed, dated and received in good in Lincoln's home office by the end of the transition period to qualify.
- **For cases with the owner listed as "Trust to be Established,"** formal applications received in the Home Office prior to Feb. 12, 2024 and signed by the insured will still qualify as awaiting a trust to be set up is part of the normal course of business. The only paperwork that Lincoln will not require at submission is the executed Certification of Trustee Powers with the trustee/owner's signature. It must be received prior to issue.

Illustrations

Illustrations for *Lincoln AssetEdge* VUL (2022) – 1/22/24 will be run on *Lincoln DesignIt*SM Illustration System v63.0C. If you have an active internet connection, the software will automatically update to include the new product version on January 22, 2024. If you need to download the *Lincoln DesignIt*SM Illustration System, it will be available on the Lincoln producer websites or from Field office Technicians.

Now available! Automatic Notification of Premium Due and Policy Lapse Pending

Opt-in availability starting January 22, 2024

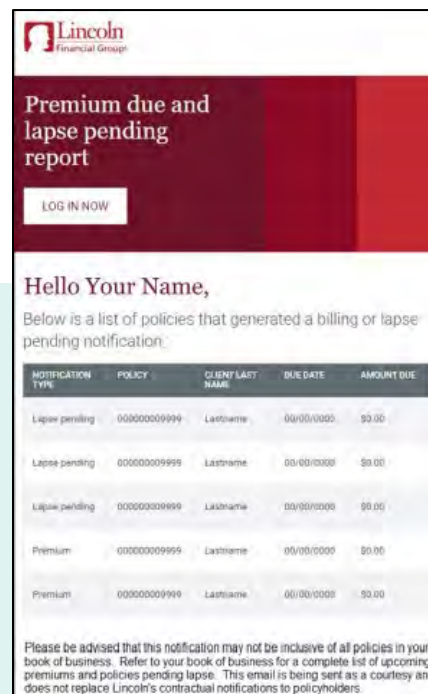

Ensuring life insurance policies are kept up to date and premiums are paid on time is important for both the policyholder and Lincoln.

On January 22, 2024, Lincoln will launch a new enhancement* that will automatically notify Servicing Agents of premium due and lapse pending information for permanent life insurance products, including Lincoln *MoneyGuard*®. This feature will be available for registered producer website users who “opt-in” to receive these notices.

What you need to know

- Registered LincolnFinancial.com producer website users can opt into this new feature within their Book of Business Communications Preferences beginning Monday, January 22, 2024.
- Notifications are defaulted to “none,” meaning you will need to opt-in to receive the daily notifications.
- Once opted in, the daily cycle will begin, and the system will automatically send an email notification 20 days in advance of the premium due or lapse pending date.
- Emails will be sent once a day, Tuesday through Saturday. On holidays, the email(s) will be sent on the next day.
- In the email, any lapse pending policies will be listed first.

*This enhancement is not available for Term products and some older life products due to policy-specific circumstances

How to get started

Follow the instructions below or [watch this short video](#).

- To receive automatic notifications, you'll need to [register](#) or [log into your online account at LincolnFinancial.com](#).
- Once logged in, click the **Welcome Menu** in the top left corner and select **Communication Preferences**.
- Under **Book of Business Correspondence**, there is a new **Reports Radio Button** that allows you to choose if you want the report to be generated. Video for Financial Professional Use Only LCN-6183043-122723 For Financial Professional use only. Not for use with the general public. Page 2 of 4
- Select email** as the type of notification you'd like to receive from the dropdown menu (*options are email or none*). *Note: The setting is defaulted to none.*
- Check the email addresses you'd like to receive the notifications.** If an email is not listed, you can add one by clicking the **Add Email** button. Up to two additional emails outside of your registered user email may be added (ex: back-office staff).
- A **confirmation message** box will pop up saying the changes were successfully made.

Frequently asked questions

- 1. Will the email show the same policies on a rolling list daily?**
No, each day will provide a new list.
- 2. Can Agencies receive these notifications?**
At launch, these email notifications will only be available for active Servicing Agents 1 and 2. In the future, this “opt-in” capability will be added as a feature for the active Servicing Agency Upline. When this enhancement becomes available, it will be communicated via the Life Lincoln Leader.
- 3. How much lead time does this give me before the client gets mailed or emailed the bill?**
The agent receives a notification 24 hours before the notice is mailed. Alternatively, if the client has [elected paperless electronic billing \(eBill\)](#) as their notification method, the notification is sent 24 hours in advance via email.
- 4. If I change my Reports setting, will it alter my Documents setting?**
Reports are separate from all documents, meaning they will not change the document settings (and vice versa). If a new email is added, it will show up in the other sections, but it will not be selected.
- 5. My client has set up their policy for electronic funds transfer/automatic bank draft, will it still show up?**
No, this notification will not include any policies currently set up for EFT/automatic bank draft at this moment. However, if a policy is set up for [eBill](#) or direct bill, they will be considered eligible for this list.
