IMPORTANT INFORMATION TO CONSIDER

The liquidation of an annuity or life insurance product to fund the purchase of an annuity may have tax consequences. The Company does not provide tax advice. Prior to liquidating any assets, you should consult with your tax advisor.

The liquidation of some investment and/or insurance products may subject you to surrender charges and fees and you will be subject to new surrenders charges or limits on accessing your funds in the new annuity contract.

You may lose a portion or all of the guaranteed benefits in your existing annuity or life insurance product to include, but not limited to any living benefits such as guaranteed withdrawal and income riders, guaranteed minimum benefits as well as any guaranteed death benefits associated with the contract or attached riders.

The insurance benefits and other features of variable insurance products may cause higher internal expenses than other investment alternatives.

For investors under the age of 72, required minimum distributions may exceed the allowable free withdrawal amounts from the annuity contract and/or withdrawal and income riders resulting in surrender charges and/or reduction in guaranteed benefits.

Be sure to review the product prospectus (as applicable) and/or marketing materials for each existing and new investment for specific information regarding fees, expenses and benefits.
