We are now less than 100 days away from the U.S. Swimming Trials happening in Indianapolis **June 15-23**.

We hope you'll join us at the events to cheer on the athletes, and by volunteering at the nine-day experience. More details will be released soon on how to volunteer.

But, right now, you can order your tickets through Ticketmaster by following these simple instructions, and the discount code can be shared with family and friends, too:

### **Let's Break a World Record!**

Remember that you can be part of a record, too. The goal of OneAmerica Financial is to have the highest attendance at any swim meet on the opening night of the Trials on **Saturday, June 15**. Be sure to get tickets for the evening session so you can be part of history!

It's important to note that Olympic team members will be named for the men's and women's teams all nine nights of the Trials – so any night is a good one to attend, but we have that special push for **June 15**.

Additionally, Indiana Sports Corporation is also offering an incentive of a pool party to the company that sells the most tickets to the Trials. Details on this promotion are forthcoming.

Join us to show your pride for OneAmerica Financial, community and country with the Olympics on the line.
