Gerber Life’s guarantee to accept all applicants ages 50 to 80 (ages 50 to 75 in New York) is made possible by a two year graded death benefit limitation. If death occurs within the first two policy years for any reason other than an accident, all premiums shall be paid to the beneficiary, plus an additional 10% of earned premium. Earned premium refers to the portion of paid premium that has been applied to the policy. For example, if an annual premium payment is made, six months into the policy year, half of the total premium is considered “earned.” If death is due to accidental causes, the full death benefit will be paid. After the two-year Graded Death Benefit period, if the insured dies for any reason the full face amount of the policy shall be paid to the beneficiary.

**Commission Chargebacks:**

If the insured dies within the first policy year, 100% of the commission paid shall be returned to the company. If the insured dies within the second policy year, 50% of the commission shall be returned to the company.

Age: 60

 Face Amount: \$25,000  
 Premium Mode: Monthly ACH

1. Locate the annual premium per \$1,000 rate under the female column for age 60.
