

# Lincoln market insights and support

---

One of the benefits of Lincoln's investment approach is that we have direct access to insights from some of the industry's most respected asset managers. We gain so much from these relationships and want to share that value with you! Here are the latest market insights from Lincoln, as well as our network of partners.

## Market Intel Exchange and CIO Perspectives

### Market Intel Exchange

Lincoln's flagship chartbook, updated monthly with data and insights on the economy, markets and investment trends. Download the latest edition and sign up for future updates!

### Market Intel Exchange Video

A brief preview of all that Market Intel Exchange can offer to both you and your clients.

### CIO Perspectives

Watch Lincoln's Chief Investment Officer, Jayson Bronchetti, discuss key themes on the minds of investors this quarter.

## Weekly Market Intel

Stay informed with our one-page snapshot of market performance and economic commentary, along with top insights from our network of asset management partners.

## Asset Manager Survey

We've aggregated the views from several of our partners to bring you a consensus look at how leading minds in the industry are positioning portfolios. Asset manager views are compiled each quarter-end through a survey process.

## Comprehensive investment support

**We're here for you. Whether it be for a quick consult, or an in-depth discussion, our goal is to ensure you feel confident in making informed decisions about Lincoln's investment options.**

You have access to Lincoln's Investment Desk, a team of licensed and credentialed specialists who deliver a wide range of investment services. We keep current on trends in the global economy, and have both the knowledge and resources to have in-depth discussions about markets and the implications for client portfolios.

### How we can help

Assist with fund selection and portfolio construction

Discuss investment options available to your clients

Review contract-level and individual fund performance

Perform a detailed portfolio analysis

Discuss recent market events and impact to investment results

Provide content to help support client discussions

Lincoln Financial Investments Corporation/LFI (formerly Lincoln Investment Advisors Corporation/LIAC) is the subsidiary of The Lincoln National Life Insurance Company responsible for analyzing and reviewing the investment options within Lincoln variable products, providing recommendations regarding these options to Lincoln senior management. LFI also serves as a Registered Investment Adviser, selecting asset managers and constructing model portfolios for use by financial professionals.

Lincoln Financial Group® affiliates, their distributors, and their respective employees, representatives and/or insurance agents do not provide tax, accounting or legal advice. Please consult an independent professional as to any tax, accounting or legal statements made herein.

**For financial professional use only. Not for use with the public.**
