A.M. Best Company Rating

A (3)

Excellent. Assigned to companies that have, in our opinion, an excellent ability to meet their ongoing obligations to policyholders.

Weiss Safety Rating

B (5)

Good. The company offers good financial security and has the resources to deal with a variety of adverse economic conditions. It comfortably exceeds the minimum levels for all of our rating criteria, and is likely to remain healthy for the near future. However, in the event of a severe recession or major financial crisis, we feel that this assessment should be reviewed to make sure that the firm is still maintaining adequate financial strength.
