After completing the application, you may call from the proposed insured's home for a personal history telephone interview. The Company has designed the interview to confirm the answers given on the application. The interview can be completed in either of two ways:

- 1) at point-of-sale, or
- 2) the interview company will contact the proposed insured after receipt of the application by the Home Office.

The agent and proposed insured can complete the point-of-sale telephone interviews by calling the toll-free number below. When calling the vendor, identify yourself, the Company, and the product the proposed insured is applying for, 'Easy Term', and whether or not the applicant is applying for the Critical Illness Rider or the Total Disability Benefit Rider. The applicant must always complete the telephone interview without assistance from the agent or another person. If the interview is completed at point-of-sale, mark the 'Telephone interview done' question 'Yes' in the upper right-hand corner of the application. If the sale is made outside of the vendor's hours of operation or if the interview is not completed at point-of-sale, mark the question 'NO', and the interviewing company will initiate the call after receipt of the application.

OTHER REQUIRED FORMS / KEY ADMINISTRATIVE GUIDELINES

Replacement of Existing Insurance:

Agents must provide great care and attention when making any decision to replace an existing policy. You have a responsibility to make sure that your client has all the necessary facts (advantages & disadvantages) to determine if the replacement is in his/her best interest. Do not request a replacement (both external & internal) if it is not in your client's best interest, both short and long term. For a list of factors to consider before recommending a replacement & other guidelines, please refer to the Company's 'Compliance Guidelines' manual found on our website. The Company reviews applications involving replacement sales daily. If the Company notices a trend of multiple replacements or a pattern of improper replacements, we may take disciplinary action to including termination of an agent's contract.

Application Date/Requested Policy Date:

The application date should always be the date the proposed insured answered all the medical questions and signed the application. The **'Requested Policy Date'** cannot be more than **30 days out from the date the application was signed**.

All changes must be crossed out and initialed by proposed Insured.

No white outs or erasures are permitted on the application.

Third-Party Payor:

The Company has experienced problems in terms of anti-selection, adverse claims experience, and persistency on applications involving 'Third-Party Payors'. This is defined as a premium payor other than the primary Insured, spouse, business, or business partner (regardless of the mode of payment). Examples of 'Third-Party Payors' include brothers, sisters, in-laws, parents, grandparents, aunts, uncles, and cousins when the proposed Insured is age 30 or older. As a result of the issues related to this situation, we **DO NOT** accept Easy Term applications where a Third-Party Payor is involved and the applicant is age 30 or older. We do accept such applications if the payor is a spouse, business, or business partner. If the proposed insured ranges from ages 18 to 29, we will allow a parent to pay the premiums, but please be advised that additional underwriting requirements, including a telephone interview, motor vehicle report, and criminal records check, will be involved for many of these applications; particularly for those applications where the proposed Insured ranges from ages 25 to 29.

If the proposed insured has a condition which is listed in the **Medical Impairment Guide** as a **Decline** or if he or she exceeds either the maximum or minimum weight in the build chart provided in this guide, the application should not be submitted to the Home Office.

Applicants Re-applying for Coverage – Underwriting will not process new applications if the proposed insured has had three policies with any of our companies which have lapsed, made not taken, surrendered, or canceled. This applies regardless of the plan(s) which have previously been written or who the writing agent may have been on the previous policies

Request for Re-dates and/or Reinstatements:

It is often easier, and in your client's best interests to ask that a policy be re-dated or reinstated rather than completing a new application. Below are the Company guidelines to follow:

Re-date and Reinstate Request*:

- If the policy lapse has occurred 60 days after the policy date & within the first policy year:
 - A policy can be re-dated simply by sending an email request to our **Client Experience Department** at cx@aatx.com.
 - There is no additional paperwork necessary.
 - * A policy can be re-dated ONE time only

Reinstatement Requests Only:**

- If the policy lapse has occurred 60 days after the policy date & within the first policy year:
 - We require both a Statement of Health (Form No. 1110) & HIPAA (Form No. 9526) to be completed.
 - In addition, a new Bank Draft Authorization (Form No. 1963) for payments via bank draft. Or we would need the back premiums due for payments on direct bill.
 - Fax documents above to **Client Experience** at **(254) 297-2105**.
 - As an alternative, we will process a new application with 'Reinstate' and the policy number wrote down at the top. Fax this request to **Client Experience** at **(254) 297-2105**.
- If the policy lapse occurred more than one year after the policy date:
 - We require completion of a new application and faxed to the **New Business Department** at **(254) 297-2100**.
 - Make sure to send a note with the application saying this is a 'Reinstatement' & indicate the original policy number.
 - ** Upon request, we will review these case-by-case for consideration for a re-date & reinstate.

PREMIUMS REQUIREMENTS:

- UL or Non-ROP Term – Two months premium or one modal premium.
- ROP Term – all missed premiums
- All other plans – all missed premiums

* We may need loan interest or payment if the policy is over-loaned.

BANK DRAFT PROCEDURES

Draft First Premium Once Policy is Approved:

- 1) Complete the '**PREAUTHORIZATION CHECK PLAN**' fields found at the bottom of the back of the application. Please specify a '**Requested Draft Day**', if a specific one is desired. If a '**Requested Draft Day**' is provided and needs to be drafted on a specific day, provide that date in the **Policy Date** field (mm/dd/yy).
 - (a) Once the application is approved, the Company will draft the first premium upon the date specified. If the applicant does not provide a specified date, the draft will occur when the policy is approved.
 - (b) The initial draft cannot occur more than 30 days after the application signature date.
 - (c) The '**Requested Draft Date**' cannot be on the 29th, 30th, or 31st of the month.
- 2) A copy of a voided check or deposit slip should accompany the application any time that one is available. If one is not available, then we highly recommend that you also complete the Bank Account Verification section of Form 9903 and submit it along with the application. This helps to ensure the accuracy of the account information and reduces the occurrences of returned drafts. If a client only uses a debit or check card instead of actual checks, locate a bank statement to obtain the actual account number (DO NOT use the number found on the card). Green Dot Bank (and other prepaid cards) and American Express not accepted.

Immediate Draft for Cash with Application (CWA) using eCheck:

- 1) In addition to items 1 & 2 above, complete the eCheck Authorization (the eCheck **Bank Draft Authorization Section** of Form 9903). Using this form, the Company will draft the first premium upon receipt of the application.
- 2) When the application is approved, the premium will be applied. Future drafts will occur on the next due date and the **Requested Draft Day** (if provided).

OPTION FOR DRAFTS TO COINCIDE WITH RECEIPT OF SOCIAL SECURITY PAYMENTS

Most people today are receiving their Social Security payments on either the 1st or 3rd of the month or the 2nd, 3rd, or 4th Wednesday. If you have clients receiving their payments under this scenario and they would like to have their premiums drafted on those same dates, please follow the instructions below:

- On the '**Requested Draft Day**' line of the '**PREAUTHORIZATION CHECK PLAN**' on the back page of the application, you will need to list one of the indicators below:
 - '**1S**' – if payments are received on the 1st of the month.
 - '**3S**' – if payments are received on the 3rd of the month.
 - '**2W**' – if payments are received on the 2nd Wednesday of the month.
 - '**3W**' – if payments are received on the 3rd Wednesday of the month.
 - '**4W**' – if payments are received on the 4th Wednesday of the month.
- The '**Policy Date Request**' field on the front of the application should not be completed as the actual Policy Date will be assigned by the Home Office once the application is received.

When you follow the steps above at the point of sale, our office will have the information needed to process the premium draft to coincide with your client's Social Security payment schedule. The procedure is just that simple. Complete the rest of the application paperwork typically. Also, you can still request immediate drafts for CWA; follow the standard methods.

SPEED UP YOUR TURNAROUND TIME!

Practice these simple guidelines

The EASY TERM plan has specific underwriting standards we follow when considering applicants. For this plan, we generally consider applicants up to Table 4. However, if an applicant is considered high-risk or declinable by most underwriting standards, in that case, we request that they refrain from applying for this plan.

Before asking any health questions, stress the importance of providing truthful and complete answers. This includes disclosing any tobacco usage that may reflect in the client's medical records, the national prescription database, or MIB, INC. It's important that all information provided is accurate so that we can provide the best options for your coverage.

Underwriters require additional details if the applicant answered 'YES' to any health questions. Provide the age at onset, the name of all medications currently taken, the last reading, and how often the medical condition is checked. It is also crucial to know the name of the doctor treating the condition and the date of the client's last visit. By providing us with this information, our Underwriting department may expedite the processing time of the application and avoid further documentation requests such as medical records or an interview.

PRACTICE GOOD FIELD UNDERWRITING OR...

An agent with a history of sending applications with non-admitted medical information will likely receive special attention when the Underwriting Department reviews their applications. The Underwriting Department will request medical records on those applicants until they feel that the agent has corrected their field underwriting problems.

Refrain from poor field underwriting contributing to unnecessary delays in both the issuing of your business and the payment of your compensation.

Easy Term Medical Impairment Guide

Underwriters will try to evaluate the risk as quickly as possible, so the following factors are essential:

- Good Field Underwriting – Carefully ask all the application questions and accurately record the answers.
- Client Honesty and Cooperation – Underwriting relies heavily on the application; therefore, complete, and thorough answers to the questions are necessary. Please stress this and prepare the proposed insured for the interview (when required). The interview will be brief, pleasant, professionally managed, and recorded.

The Medical Impairment Guide is to assist you in determining a proposed insured's insurability. This guide is not all-inclusive, and state-specific applications may differ from the information provided. If you have any questions about medical conditions not listed here or how a medical condition may affect a state-specific application, don't hesitate to contact the Home Office for a risk assessment via our online chat or at riskassess@aatx.com. Underwriting reserves the right to decide based on all risk factors for a final decision.
