

# CHRONIC ILLNESS RIDER

(Chronic Illness Accelerated Death Benefit Rider)

## FEATURES:

- This rider is added to every policy (where available) at **NO ADDITIONAL PREMIUM.**
- With this benefit, you may accelerate a portion (25% every 12 months) of your death benefit early if an authorized physician certifies that you are chronically ill.
- This benefit will allow you to request up to 95% of your policy's death benefit subject to a maximum amount of \$150,000 over the lifetime of the policy.

## When the benefit becomes available:

To be considered chronically ill one of the following would need to have occurred after the effective date of the rider:

- ▶ Becoming permanently unable to perform, without substantial assistance from another person, at least two (2) activities of daily living (eating, toileting, transferring, bathing, dressing, and continence) for a period of at least 90 consecutive days due to loss of functional capacity; or
- ▶ Requiring substantial supervision for a period of at least 90 consecutive days by another person to protect oneself from threats to health and safety due to severe cognitive impairment.
