How the Vitality program *works*

Earn Vitality Points

Participate in a range of healthy activities to earn Vitality Points — like walking, getting a good night's sleep, going to the dentist or buying healthy food.

Achieve a Vitality Status

Each year, the number of Vitality Points you accumulate will determine your Vitality Status (Bronze, Silver, Gold, or Platinum).

Get rewarded

The more you participate, the more points you earn, the higher your Vitality Status, and the greater your rewards and discounts.

To be eligible to earn rewards and discounts by participating in the Vitality program, the insured must register for Vitality in most instances also and complete the Vitality Healthy Review (VHR).

Achieve your goals with small, easy steps

Small changes make a big difference when it comes to your overall health. It's as simple as taking the stairs instead of the elevator, choosing a healthy snack, or finding a few minutes to meditate each day.
