Ready to partner with you

Your clients living with diabetes are probably missing out on the opportunity to earn savings on their life insurance premiums. We want to work with you to change that.

John Hancock has the medical underwriting expertise and suite of products to offer your clients the most competitive life insurance rates. With years of experience, our team of underwriters has developed a deep understanding of the implications of living with diabetes. Rather than narrowly focusing on the condition, we take a broad view of an individual's overall health profile.

In addition to the protection of life insurance, we believe that by offering tools and resources from Onduo and Vitality, we can help your clients get the day-to-day support they need to manage their health. Aspire is a great opportunity for your clients, and an even better opportunity for you to **grow your business**.

Things to consider

More than 30 million Americans have diabetes and only half of them have the life insurance coverage they need^{2,3}

The vast majority of applicants with diabetes and related conditions are approved by John Hancock⁴

Don't let your clients living with diabetes miss out on the affordable coverage they deserve.

Working for you and your clients

Strength. Stability. John Hancock.

John Hancock's strong ratings, as judged by the major rating agencies, are a comprehensive measure of the company's financial strength and stability. This is important because these financial ratings reflect the life insurance company's ability to pay claims in the future. With over 150 years of experience, John Hancock offers clients a diverse range of financial protection products and wealth management services through its extensive network of employees, agents, and distribution partners.

A virtual diabetes clinic

As part of our commitment to serve all our customers, John Hancock is working with the experts at Onduo, a joint venture between Alphabet-owned Verily and Sanofi. Onduo offers a virtual care program empowering people with type 2 diabetes to live well. The program includes diabetes tools, coaching and clinical support to help members take control of their type 2 diabetes. Onduo supplements a person's current diabetes treatment plan and provides a boost of support between doctors visits with up-to-date personal health information and answers to their questions from a team of health coaches.

About Vitality

To help in your client's pursuit of a longer, healthier life, John Hancock is working with Vitality, the global leader in integrating wellness benefits with life insurance products. Vitality has an established track record of creating interactive, personalized programs. Millions of Vitality members worldwide use their online tools to identify and track health and lifestyle goals.

1. Premium savings are in comparison to the same John Hancock life insurance policy without Vitality PLUS. The level of premium savings over the life of the policy will vary based upon underwriting status, issue age, policy type, the terms of the policy and the Vitality Status achieved. Premiums savings are only available with Vitality PLUS.
2. Centers for Disease Control and Prevention. National Diabetes Statistics Report, 2017. Atlanta, GA: Centers for Disease Control and Prevention, U.S. Dept of Health and Human Services; 2017.
3. Qualtrics survey on behalf of John Hancock, completed Sept. 2017.
4. In 2018, 88% of applicants with type 2 diabetes were approved for coverage by John Hancock. 75% of people with type 2 diabetes and other commonly related conditions were approved for coverage. 66% of people with type 1 or type 2 diabetes and other related conditions were approved for coverage.
5. Onduo disqualifies people with certain conditions from participating in its program. To review the complete list with your clients, please see the Aspire Producer FAQ.
6. John Hancock term life insurance policies with less than \$500,000 in coverage are not eligible for the Onduo membership. For people with type 2 diabetes who are eligible for Onduo membership, John Hancock will pay for the membership for the first year. Eligibility for the Onduo program in year 2 and beyond is dependent on the type and face amount of the life insurance product as well as the level of engagement with Onduo. For details on Onduo program in Year 2 and beyond, please see the Aspire Producer FAQ.
7. Based on American Diabetes Association population figures, adjusted to reflect addressable market (ages 40-79, HHI \$40k+) and the likelihood of that subset having diabetes (<https://www.ncbi.nlm.nih.gov/pmc/articles/PMC4603875>), factored with the likelihood of person with diabetes having life insurance (2017 John Hancock study), and likelihood of being approved (John Hancock historical underwriting data). With an estimated customer pool of 3.2M and an average premium of \$2k (LIMRA), estimated market opportunity is \$6 billion.
